**Additional Notes:**

*This test was developed and its performance characteristics determined by the Stem Cell Laboratory. It has not been cleared or approved by the U.S. Food and drug administration. The FDA has determined that such clearance or approval is not necessary. This test is used for clinical purposes. It should not be regarded as investigational or for research. This laboratory is certified under CLIA 88 as qualified to perform high complexity clinical laboratory testing. CLIA # 14D100536, ORP #7801142*
