

NAPRTCS Data System [PI Access Specification Form]

Please complete the requested information to transition data from the NAPRTCS Data Coordinating Center (DCC) to your site. Please fax to Roe Wright at 301-251-1355. Submission of this form confers agreement to the following:

- ❖ Each staff who requires access to the system will be provided a unique access code by the DCC.
- ❖ Staff will be instructed to keep access codes confidential, as is required by law.
- ❖ Each person using the NAPRTCS Data Entry System will complete a brief training session.
- ❖ The DCC will be notified when access to the system is no longer required by a staff member.
